

# Pipe Strap MP-US OC

Pipe straps with external coating for universal piping applications

### Applications

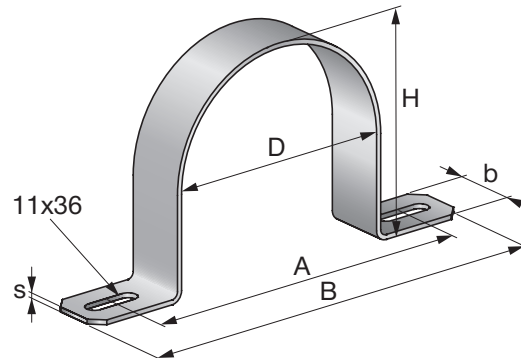

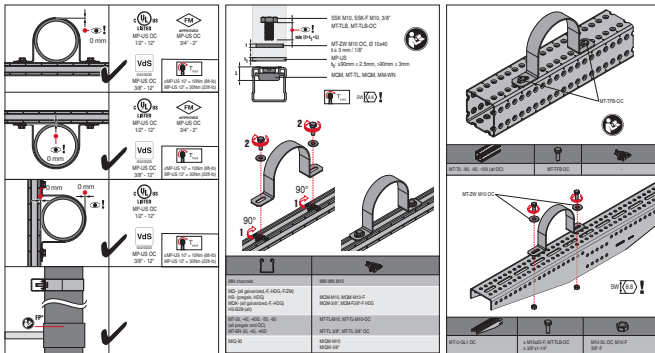

- Universal pipe fixation up to 12"
- Single point fixation for Sprinkler applications
- Installation of non-insulated pipes in industrial environment

### Advantages

- Suitable for suspended or standing installation applications
- Compatible with C-Channels, girders and brackets
- Approved for sprinkler applications under VdS
- Approved for sprinkler applications under UL / NFPA
- Approved for sprinkler applications under FM

### Technical data

<b>Material composition</b>	DX51D-ZM300 – EN 10346:2015
<b>Base material</b>	Steel, Concrete, Wood
<b>Insulation</b>	without
<b>Coating material</b>	Zinc-Magnesium coating
<b>Approvals</b>	VdS, UL/NFPA, FM
